### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance: Applicant provided clear and precise arguments to differentiate the application over the prior art in the Appeal Brief filed September 23, 2008. For example, the computing of an aggregate conditional probability measure that is then used to compute an aggregate cumulative distribution function that is used in calculating the discard threshold is not taught in the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to CORDELIA KANE whose telephone number is (571)272-7771. The examiner can normally be reached on Monday - Thursday 8:00 - 5:00 EST.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Gilberto Barron can be reached on 571-272-3799. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
